

A stylized, geometric representation of a Mustang's head in profile, facing right. The design is composed of large, angular shapes in white, dark red, and black. The background is split vertically: the left side is a solid dark red with a fine, wavy texture, while the right side is a light cream color with a mottled, aged appearance. The text is positioned on the right side of the image.

Dedication

J. W. Jones Superintendent

Our esteemed superintendent, J. W. Jones, started his administrative career as principal and teacher of a two teacher school at Pleasant Valley. Mrs. Jones was the other teacher. They both have remained active and interested in education throughout his career. He spent the next one-half year as a teacher at Prairie Chapel, a four teacher school. At mid-term, he entered the Lockney school system as principal of the high school. He ably held this position for four and one-half years. In 1932, he became superintendent of the Lockney school system. He served in this capacity for eight years.

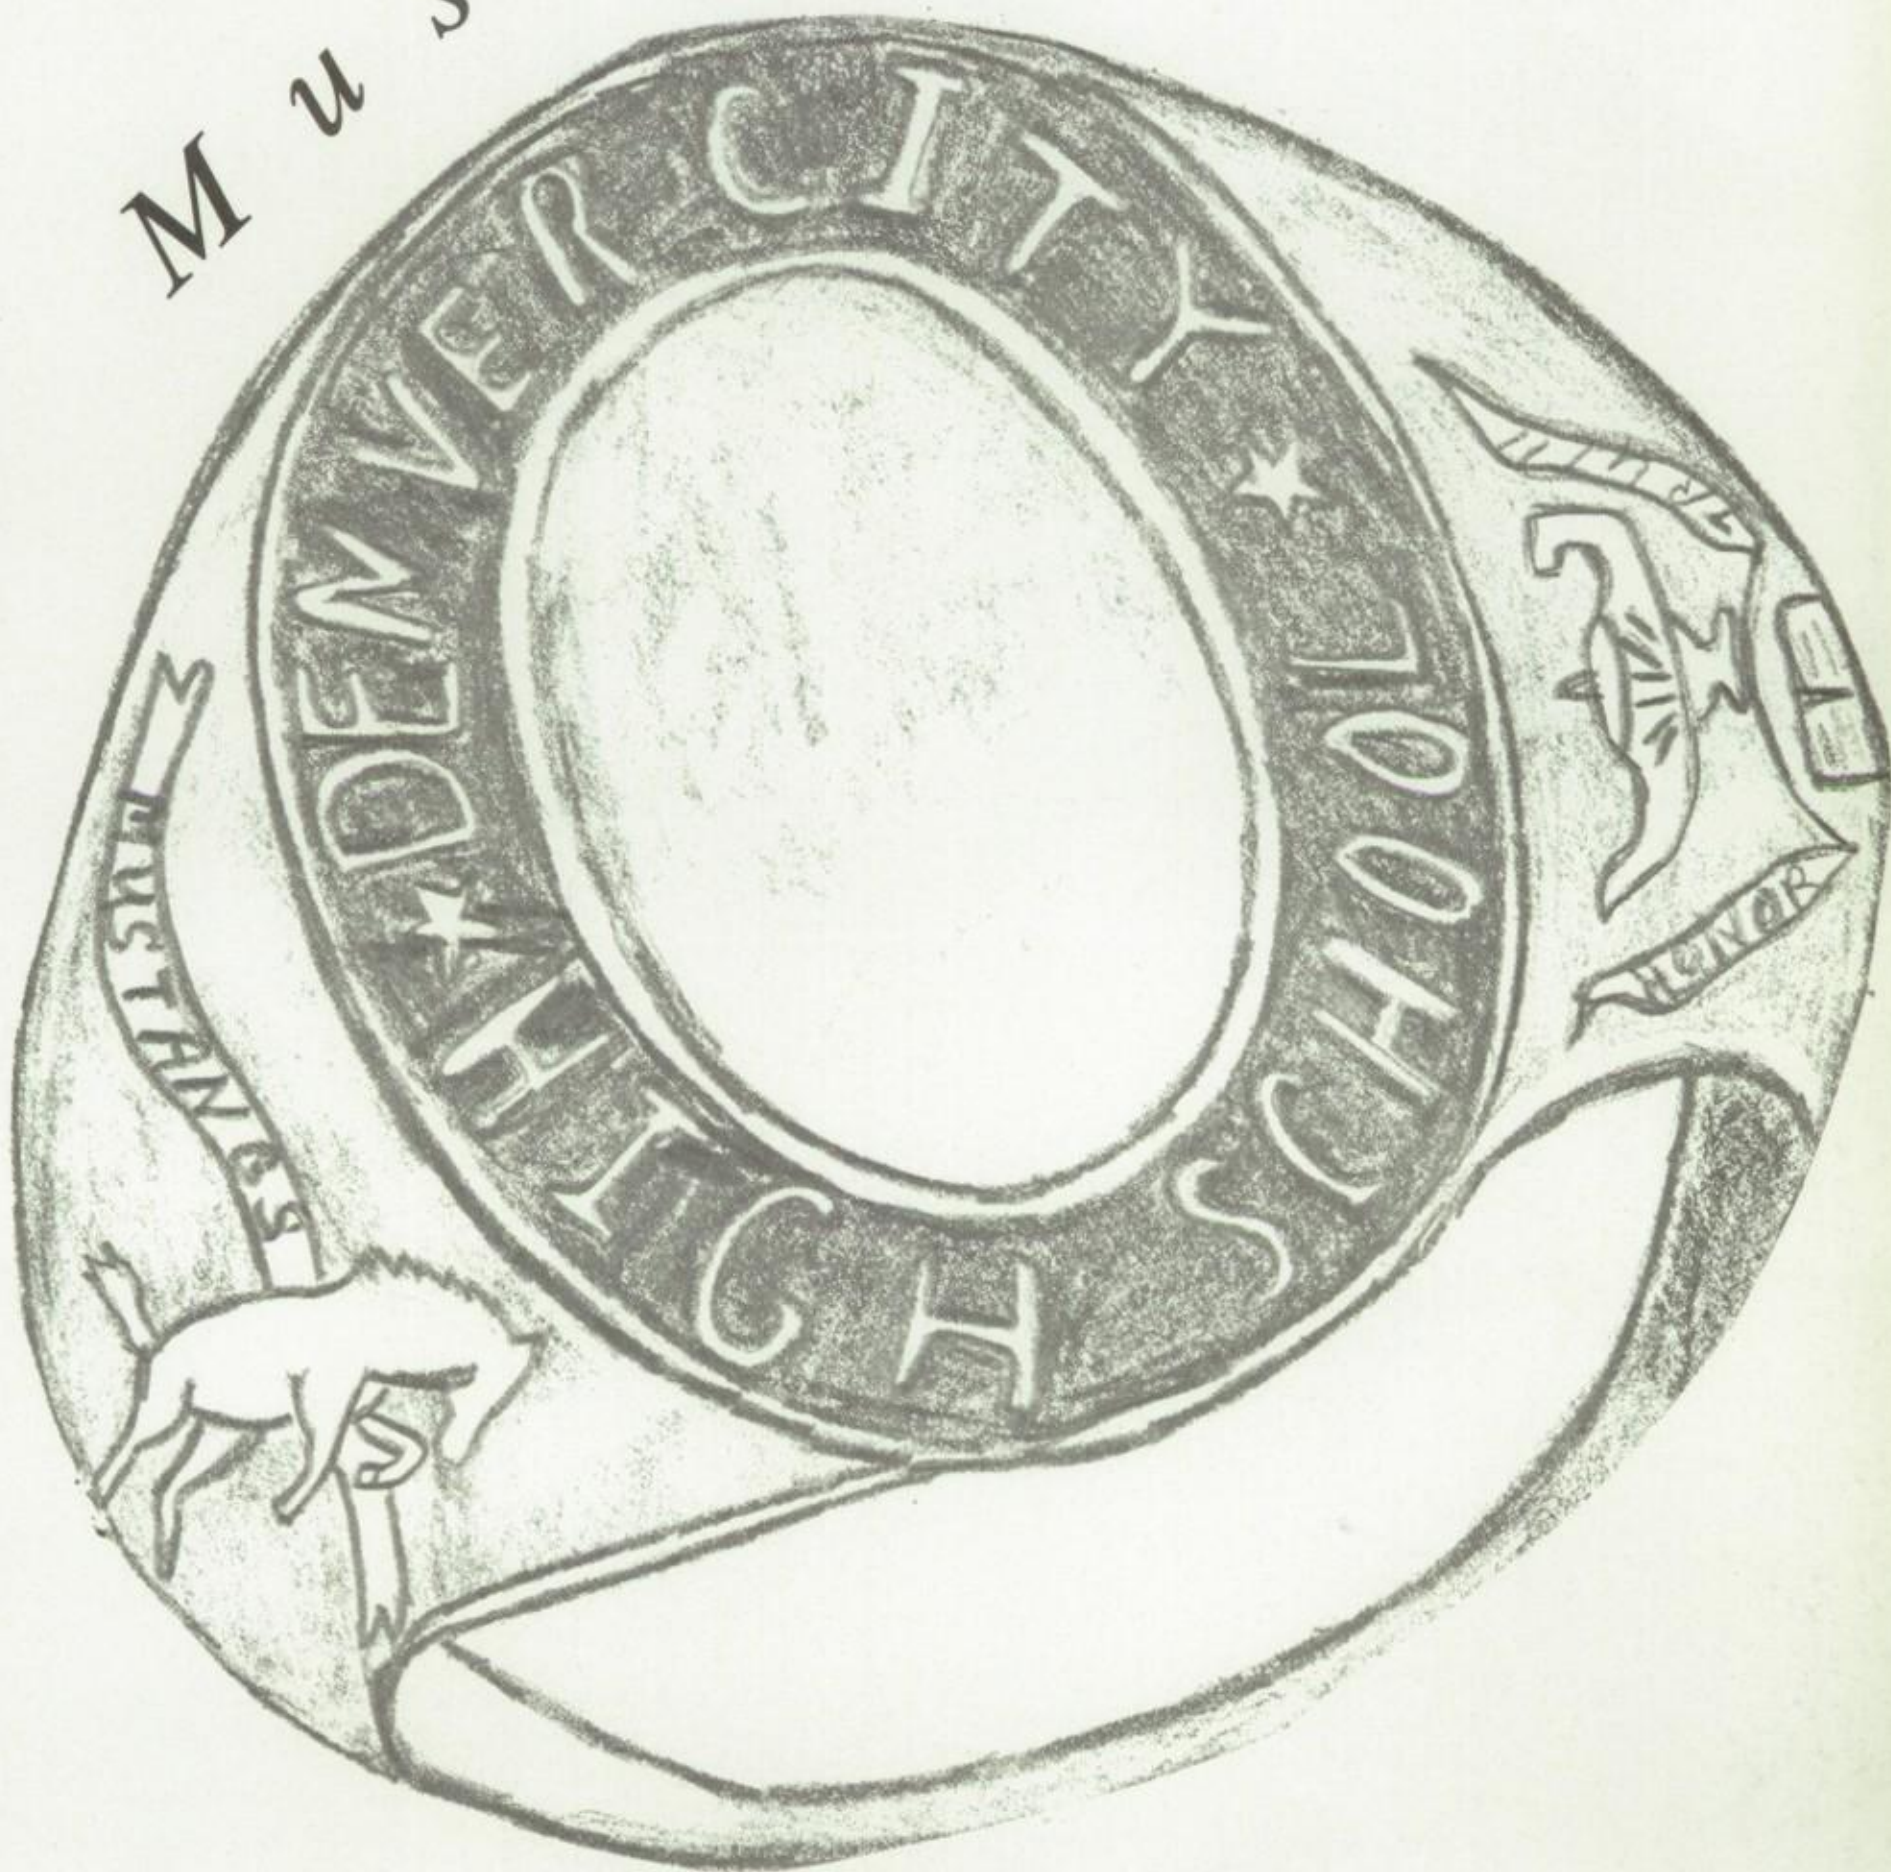

Early in 1940, he came to the "oil patch" as superintendent of Sligo Independent School District. Being in a new school, he tackled the job of building school facilities from the ground up and establishing a school system that would be acceptable for accreditation. Thirty years were spent developing the present Denver City Schools which has one of the finest physical plants in the State of Texas. Due to the leadership of J. W. Jones, Denver City Independent Schools hold an enviable record among accredited schools, and excel in UIL athletic, music, and literary events. While he was carrying out his duties as a busy administrator, he found time to receive a BS Degree from West Texas State University and a MA from Texas Technological College.

He is a member of Texas State Teachers Association, Texas Association of School Administrators, American Association of School Administrators, and National Educators Association. He served two terms on the State Executive Committee of TSTA. In addition, he served as president of the Lions Club, the Rotary Club and was regularly active in the Church of Christ. Topping all other achievements, he is the beloved father of two and an adored grandfather of five.

In dedicating this 1970 Mustang to our retiring superintendent, the Staff would like to name J. W. Jones, Father of the Denver City Public School System. To have served the school systems of Texas as an administrator for forty-four and one-half years of his devoted forty-five years of service is an admirable record. May our paths cross many times in the future so that we might draw upon your store of wisdom.

Faculty

We, the students at Denver City High School, are especially proud of our faculty. They represent the zenith of their profession - knowledgeable, capable, filled with empathy and dedicated to their duties. In a time when agitators are screaming that America's schools are inferior, we would like to quietly recall that America's educational system was good enough to put man on the moon first. We salute our faculty with respect.

SENIOR RESUMÉ

As the Senior Class of 1970 faces the future awaiting us, we pause a moment to reflect on our four years of High School.

On our entrance to High School in 1966, our class consisted of 109 eager freshmen. We elected Mrs. Roycroft and Coach Burkhalter as the Freshmen sponsors. As the year progressed, we entered into clubs, sports, and many other activities. Our Christmas Party, complete with Old Santa Claus; and the end-of-the-year picnic, complete with rain, made a memorable year for all freshmen.

Then came our Sophomore year, our final year as underclassmen. We became more involved in clubs and school activities. Miss Sullenger and Coach Youngblood were chosen for the honor of being sponsors. For Christmas this year, we were fortunate to have Mr. and Mrs. Santa Claus. Our Sophomore year ended in football, volleyball, and races at the park with fun and accidents for all.

Now with the official title of Juniors, we began the traditional sale of football tags. After a good football season, we presented our Junior Play, Rest Assured. Next came the Christmas Banquet, "Santa's Workshop." With the help of Mrs. Lewis and Mr. Roycroft, we gave "Paradise, Hawaiian Style" for the Junior-Senior Prom.

Then came the magic moment on May 23, 1969, when we declared ourselves THE UPPERCLASSMEN, THE SENIORS OF 1970. Our Senior year was a year of tears--when we lost District in football; of laughter--when we prepared for the Halloween Carnival; of hard work--when we presented Blithe Spirit as our Senior Play; and when we gave the Senior-Junior Christmas Party; and of achievements--when we were presented our diplomas. This has been a truly wonderful year; a year never to be forgotten. May we, the Graduating Class of '70, take this opportunity to thank the student body, the faculty, especially our sponsors, Mrs. Hutcherson and Mr. Roycroft, and administration, for helping us make this year what it has been. So as we prepare to take this step into the future, let us remember what Winston Churchill once said, "Now this is not the end. But it is, perhaps, the end of the beginning."

The Seminole Indians made their comeback by corralling the Denver City Mustangs on their home field September 12. With only one Mustang touchdown, the score was 21-6. Thus the Mighty Mustangs started the 1969 season.

The Denver City Mustangs got their revenge against the Lovington Wildcats on the night of September 19. With a 12-0 win, the Mighty Mustangs are once more in the running.

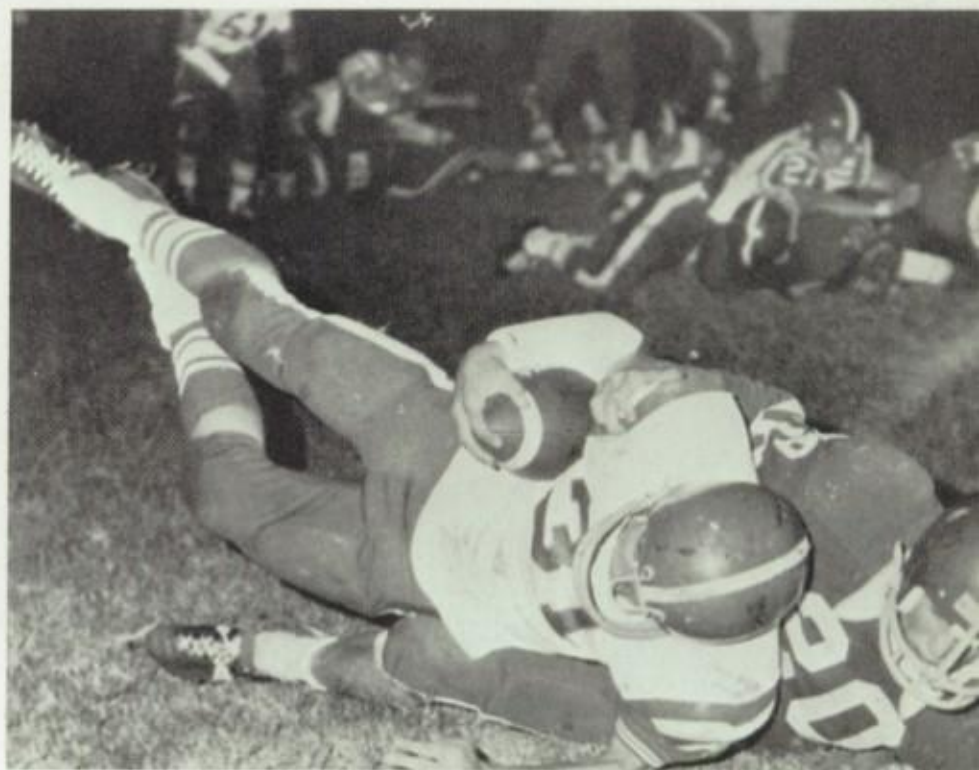

Once more the Denver City Mustangs tasted defeat on the football field. September 26 saw the Mighty Mustangs chomping at the bit, ready to stomp the Andrews Mustangs. But Lady Luck was with the black and gold Mustangs and not our Big Red. The game ended with the D. C. Mustangs on the low end of the score, 48-7.

With spirits high and the will to win the Mighty Mustangs proved that "The Old Gray Mule Ain't What She Used To Be." Our rompin' Big Red defeated the Muleshoe Mules October 3 in Muleshoe. With the score 78-0 the Mighty Mustangs are ready for more.

The Mighty Mustangs met the Kermit Yellowjackets on their home field October 10 for the Homecoming game. But the Yellowjackets stung their way to victory with a 14-7 score.

Again, the Mighty Mustangs made their comeback with a score of 60-0 against the Idalou Wildcats and now it's ever onward.

The Morton Indians fell beneath the blows of the Mighty Mustangs October 24. With the score 9-0, the Mustangs are rarin' to go.

On October 31 the Post Antelopes and the Denver City Mustangs met for their annual football skirmish. The final whistle blew leaving the Antelopes with a bagged score of 21-0.

The final defeat for the Mighty Mustangs came with the game against the Frenship Tigers. The Tigers won District Championship with the score of 34-0.

The Mighty Mustangs ended the football season with a victory against the Tahoka Bulldogs. The score was 64-0. The Mustangs ended the season with 6 wins and 4 losses.

The Denver City Chapter of the Future Homemakers of America is made up of girls who are taking or who have had home economics. These girls, along with their capable sponsors Mrs. Marcene Ham and Miss Tanya Bryant, try to reach an overall goal while in F.H.A. That goal is to help individuals improve personal, family, and community living. The main objective of the club is to strengthen bonds within the family and between the family and community by widening the scope of youth activities. Through various outside projects and activities, these girls are attaining their goals and fulfilling their objective.

The Denver City Mustang Marching Band, which consists of approximately 80 members, is the pride of West Texas. The band's fine precision drilling, high stepping entrance, and exuberating football music enthralls all who watch them perform.

The band has excelled in all concerts and contests that they have participated in this year.

This outstanding organization will continue to entertain and perform for years to come.

"A. 71"

Eddie,

I really don't know what to say to someone who means so many different things to me.

First of all, I do want to wish you very much luck. It's very important, as you will soon find out, to make the most of high school. I have had fun and I hope you do too. I wish now that we could have been closer and I know it was my fault we weren't. I hope next year will be different, since it is my last year.

I want to give you some good advice or something that would help ease your way but if you are like me you do what you want, no matter what.

Eddie, I know you remember how our relationship used to be and in a way I feel like it hasn't ever changed. I don't ever want to lose touch with you because you do mean very, very much to me. I can't tell you everything I really want to because I'm afraid to right now. But make next year different. I'll always love you, Shannon
